

〔I〕 次の英文を読んで、問いに答えなさい。

I don't suppose you can remember much about the first four years of your life. But after that some things that happened to you are stored in your permanent memory. (1) my hometown was in the ⁽⁷⁾middle of England, we didn't get to the coast very often, but I still have very clear recollections of the trips we (2).

The train ⁽⁷⁾journey was long and crowded, and the smoke from the engine often came into the carriage (3) the open window. When we arrived at the coast, it seemed as if all the holiday makers at the resort suddenly wanted their fish and chips at the same time. I remember waiting and waiting in a long queue of impatient people outside a cheap restaurant.

The summer sea in Japan is ⁽⁷⁾great for swimming, but England's waters always made me shiver. My parents didn't understand that ^(A)I hated going into the cold, wet, grey water with horrible seaweed clinging to my ankles. But they made me do it anyway. In this way, parents (4) the memories of their children. So — what are you going to make your kids do? Will they happily recall catching little fish in rock pools on the beach, or will they remember that you always lost your temper and shouted at them all day?

(注) seaweed 海藻
